The Ergo

Light, Smooth, Durable

Klinch-Pak continues to bring you the latest innovations in Carton Closing Tools and Fasteners. The new Ergo line of Stick and Roll Staplers are in stock and ready to go.

The Ergo tools offer you a lightweight composite upper body, with a durable magnesium lower body, to make these tools some of the lightest on the market. The red dial offers 5 positions to adjust the dept of drive. The magazine accepts both 5/8" and 3/4" leg lengths, and hold 150 staples (50% more than the competition). There are now 7 Models to choose from that shoot C, A, RR1 and 555 Staples.
